Annual Health Screening Questionnaire for History of Positive TB Skin Test

Instructions: Annual symptom screening is required for all students who have a history of a positive tuberculosis skin test (PPD skin test). Students are required to see a licensed healthcare provider for symptom screening and completion of this form yearly only if they have a history of a positive TB skin test.

When did you convert to a positive PPD?

What is the date of your last chest x-ray?

Result:

Do you **CURRENTLY** have symptoms of:

- Weight loss [unrelated to dieting]
- Loss of appetite for > 2 weeks
- Bloody sputum
- Night sweats/fever
- Unusual fatigue for > 2 weeks
- Persistent cough for > 2 weeks

Answering "yes" to any of the above questions constitutes a positive screening evaluation and requires further treatment as recommended by your health care provider.

I am aware that misrepresentation of health information may result in dismissal from the program. I declare that my answers and statements are correctly recorded, complete, and true to the best of my knowledge.
